

Grand Imperium & Coventhia Land Transfer

Under this treaty, Coventhia makes the following agreements with Grand Imperium:

- Coventhia will cede most of our land to Grand Imperium with the exception of the land pictured down below. Coventhia Vault will not be retained by Coventhia and will be under Grand Imperium land ownership. Emperor Attoprak will be added to the vault groups as secondary owner for groups needed for the vault.

The city of Frostock Valley, the Coventhia Golf Course and the Coventhia tunnel connecting the port and the Golf Course (not listed) will be retained by Coventhia.

- Although not bound by the terms of this treaty, we would like Grand Imperium in good faith to clean up any grief in the city as they travel through it. Grand Imperium citizens are allowed to use Frostock Valley tunnels to travel between Frostock Valley and the vault as well as Frostock Valley and the farms.
