School Year Information
CGB Elementary
Updated August 2025

Breakfast is available at 8:10 each day. Breakfast is served until 8:30. This is free to all students.

Transportation

The arrival time for Clinton bus riders is usually between 8:05-8:10am. The arrival time for Graceville & Beardsley bus riders is usually between 8:15 - 8:20am. Students arriving by bus can go directly to breakfast in the cafeteria after bus arrival. Students can let staff know they are eating breakfast and then drop off their backpack and items in their locker before breakfast.

Transportation is provided by Aksamit Transportation. Here is a link to information on the bus company. For information you can contact the bus company at:

320-748-7111
Aksamit Transportation, Inc.
241 Front St. West
Browerville, MN 56438

Parent drop off

Students who are being dropped off by a parent can arrive as early as 8am. We have playground supervisors outside from 8:00-8:25am. There is no supervision of students before 8:00 so we ask that students are not to be dropped off before 8:00. For students that arrive early and want to eat breakfast, there will be a whistle on the playground at 8:10.

Absent Students

If your child is sick or unable to attend school please call Kelly at the elementary office. If we do not hear from you we will give you a friendly call after 9:00 seeking attendance information.

School Meals - CGB will provide each student one Free Breakfast and one Free Lunch for each student. Families are encouraged to continue to fill out applications for free/reduced meals as this impacts funding to our school district. The school will continue to ask families to fill out their Application for Educational Benefits as it's a tool the school uses to receive funding and allows us to continue to provide educational opportunities for our students.

Snacks- In grades 1st-5th, students are responsible for bringing their own snacks for their afternoon snack break. Please make sure it is a healthy snack. They also have the option of having milk with their snack. The cost of the milk is .35 cents and will be charged to your family meal account. Please be aware of food allergies in the classroom. Reach out to your child's teacher or the office if there are peanut, tree nut, or other types of food allergies.

Early Outs for Staff Professional Development

Students will be released 2 hours early on these days. These are identified on the district calendar. Students will be released at 1:17.

Daily Dismissal Times
3:17 - All students are dismissed.
- Graceville/Beardsley students load buses
- Clinton students and other students getting picked up by their parents go to the playground/gym for after-school recess.
- All students must be picked up by 3:45pm

3:40-3:45 pm - Clinton bus arrives and students load buses. Students who walk home are dismissed.

School Closing Information: In the event that bad weather causes the school to close or dismiss early we have several options for notifying parents. We have text, email and phone calls. Please let Kelly in the Elementary Office know which options you prefer. We will also put these announcements on the radio and local TV stations.

Student Medications: If a student needs to take a prescription medication during the school day, the parent/guardian must provide a doctor's prescription stating the dose and what time the medication should be

administered. The medication must be in its original prescription package and will be kept in the office.

The school does NOT keep a supply of over the counter medication on hand. If a parent/guardian would like for their child to take an over the counter medication during the school day the parent/guardian must provide the OTC medication along with written consent for their child to take the OTC. The OTC should be in its original packaging and kept in the office.
