Blair-Taylor
Teacher Webpages - Essential Components

<u>Staff Webpages</u>
- Profile picture - Lifetouch photo
- Contact information
  - Email address
  - Title and/or grade/subject taught
  - Other roles and responsibilities if applicable
  - School telephone number (do not include extension)
  - Brief bio; may include slide show or other pictures

- Courses and/or Website link if different; e.g., Google Site
  - Course objectives or summary & expectations optional (may be found on another link if you have one)
  - Do not include your Google Classroom links
  - Supplies needed for classes
- Google Classroom Calendar link

<u>Optional:</u>
- List of classes taught w/syllabi linked
- Schedule
- Classroom Matrix
- Department Philosophy - why students would benefit from being successful in courses in this department
- Grading policy
- Wisconsin Career Pathways that apply

Staff web page examples - keep in mind these likely need to be updated for the current school year.
