

NINJA Accelerator 2023

ACCELERATING INNOVATION AND IMPACT

Frequently Asked Questions

1. Are there any fees to participate in this program?

- No, there are no fees for participating in this program.

2. What level of English is required for applicants?

- The program is conducted in English, including mentoring and lecture sessions. On Demo Day (Jakarta & Japan), selected companies will be required to pitch and present in English, thus, verbal and written proficiency of the English language is required.

3. Who evaluates the applicants?

- All applicants will be assessed by a dedicated team from ANGIN and the JICA team. Please note that we are not able to provide feedback to each applicant.

4. Will there be any funding from the program?

- We do not guarantee that the selected participants will receive any funding from the program. However, we will connect them with one of the largest pools of mentors and our expansive network of highly curated global investors.

5. I saw several problems mentioned on the website. Will I still have a chance to get selected if the problem that I would like to solve with my company is outside problems mentioned on the website but still within the 7 key areas?

- Yes, you do have a chance to get selected and we encourage you to apply.

6. My company is not really looking for fundraising or investment, should I still apply? How will it still be relevant with me?

- Yes, we encourage you to apply as the program focus is to grow your business through tailored mentoring and partnerships potentials and your impact through impact report creation. So, it is not only for fundraising and getting investment as we will tailor the program based on needs.

7. I've applied and have not heard back, when will I hear back about my application?

- Applications close on Tuesday, 28 November 2023. We aim to notify the three selected companies being accepted into the program by the 8th December, if you have not heard anything from us by then that means you are not selected.

8. What are the expenses covered by the program?

- For the selected participants, we will cover the travel expenses from Jakarta to Japan that includes flight tickets, accommodation and meal allowances.
However, we do not provide any accommodations and transportations for the Demo Day or other event in Jakarta.
