Perhaps, the most popular free ringtone website , known for much more than just ringtones such as free mobile wallpapers, themes, etc., has some of the best collections of ringtones. From ringtones that will place a smile on your face to those that will make your heart skip a beat, Zedge.net has it all. Moreover, all the ringtones advertised as free are actually free unlike a number of other websites which ask you to pay a small fee for the ringtones marked as "free." Zedge makes it very easy to download their ringtones. There are two ways of doing so: you could download the ringtones directly to your mobile phone through the Zedge mobile website or download them on your computer and transfer them to your phone later.
