You will need more than one outline for each section, depending on the accuracy of your note taking. Make sure you print enough if you are going to be using the template. Otherwise, take notes on loose-leaf paper, but follow the format from the outline.

When you are done reading chapter 10 and outlining the sections, please complete key questions #7-17 at the end of the chapter. You must make sure your sentences are complete and you have restated the question in your answer.

You are to also join the Google classroom class that was created for you. You are to use your school email to join. The class code is: z8tdung.

You will be getting 3 grades for this assignment: one grade for joining the class, one grade for the outlines, and another grade for the questions.

If you have any questions, please don't hesitate to email me at [idelrio@palpkschools.org](mailto:idelrio@palpkschools.org), but please be aware, I will be checking emails sporadically.

Thank you, and have a great summer! See you in September!
