(Setting: walk-in shower, the nurse is bathing the listener, who sits in a shower chair)

(FX: bathroom shower is turned off)

Well, we're done.
Let's get you dry.

[Sighing]

Oh, I don't know.

Go home, I guess.

Water my plants or something.

Huh?

Nothing, I'm fine.

What about you?

Watching the game tonight?

Who do you think's going to win?

I'm not so sure about the Eagles tonight.

Heh, if I wasn't your nurse I'd make a bet with you!

No! I can't bet money against my patients.

I think that's illegal, forget I said it!

[Clears throat]

As I was saying!

I think the Eagles are going to lose.

[Distracted]

I guess we'll see.

If I'm wrong you can rub it in my face on Monday.

Huh?

No, I'm just teasing.
I know you wouldn't do that.

Oh.
Well...yes.
I'm not in a very good mood, that's all.

No, no! Not because of you.
I'm sorry, this isn't very professional of me.
I shouldn't bring my problems to work.

[Denial]
It's nothing.

No, really, nothing important!
Just dumb life stuff.

I know you're a good listener, it's just...

[Sighing]
Personal problems.

Well...you're sure this won't make things weird?

Um...okay.
I broke up with my boyfriend, that's all.

Thanks.

No.

I mean, yes!

I do, but...it was for the best.

[Self-deprecating laugh]

He wasn't a particularly good boyfriend.

Two years.

Well...I didn't realize he was a jerk at first.

I was in the honeymoon phase, you know?

Oh, it was little things.

Just stupid little things.

They added up to a lot and I thought, "I can't do this anymore."

[Embarrassed]

You're going to laugh.

He...changed the channel.

You said you wouldn't laugh!

Last weekend I was watching the game and he changed the channel.

I missed the triple play.

I know!

Who does that?

It's my place, it's my TV, and I'm watching the game.

When he did that, I realized...he does a lot of things that I don't like very much.

He's not very considerate.

And that I wished...

Nothing.

[Confession]

I—was looking at him, holding the remote and I thought, "I wish he was more like you."

No, I'm not saying I wish he was paralyzed.

That's not what I meant!

It's just...

I kept thinking about the next time I see you, you're going to ask me if I saw the game, and I'm going to have to tell you I missed the best part of it.

And I thought...if he was **you**, you never would have done that to me.

[Confession]

Because...

You meet my eyes when we talk.

You wouldn't scroll your phone for hours without looking at me.

You'd never change the channel when I'm watching something or turn my music off.

And I realized that...I'm settling with him.

So I...broke up with him.

Wow, I'm sorry!

I shouldn't be dumping all this on you, I'll go after your transfer—

What?

But...I've been really inappropriate with you!

And, we're done with your shower so I really need to get you dry.

We can't hang out in here all day.

[Unenthused]

Fine, you win.

Once you're back in bed we can keep talking.

I'll stay for a bit.

[Calling out]

Okay, we're done.

Can you help me?

Three, two, one...

[Grunt]

(FX: adult body is lifted and placed on the bed)

Thanks.

[Relief]

Okay.

So.

I was going to ask if you wanted to go outside but it's gonna rain and...

I'm not changing the subject!

I'm doing my job.

I'm here to help with your care, not complain about my personal life.

[Sighing]

No, not really.

Not at all.

I mean...I miss having a boyfriend around but I don't miss **him**.

Isn't that terrible?

Really?

Well...thanks.

[Curious]

What about you?

You haven't dated anyone in the time I've known you...

What was she like?

[Laughing]

Oh wow!

She sounds terrible.

How long did that last?

Who dumped who?

Were all of your girlfriends harpies or just the last one?

Why'd you date her in the first place?

Oh.

I—didn't realize you like long hair.

No, not when I'm working, it gets in the way!

Oh no no no, I couldn't!

I'm still on the clock, that wouldn't be appro...

[Exasperated]

If I take it down will you stop asking about my ex?

Okay, you win!

[Under her breath]

What am I doing?!

(Speaker takes her hair down)

Um...thank you.

Listen, I...

Huh?

Um...yeah, this is a new pair.

Oh **stop**.

Scrubs are **not** sexy, don't give me that look.

[Flustered]

Besides, I'm not trying to be sexy!
I'm—I'm your nurse!
I didn't know navy blue was your favourite!

Anyway.

It just wasn't a good relationship.
We didn't spend much time together and when we were together it wasn't quality time.

[Embarrassed]

No, not for a while.
But...it wasn't just about sex!
We're just really different people.
I tried to be a good girlfriend but it was pretty one-sided.

Well, he only wanted to do stuff that he liked, he never wanted to try stuff I liked.

Um, football, I guess?

I went to a few games with him, I figured I can do something I don't like for a few hours, no big deal, right?
We'd go to his friend's parties.
The only time he wanted to eat out was at this one restaurant he liked.
But...he never came to a ball game with me.
He didn't like to spend time with my friends.
He never wanted to go to restaurants I liked.

He hated going to the movies, I missed the last two Marvel ones on the big screen.

[Sighing]

I realized that...our entire relationship was about doing what he wanted.

[Laughing]

No, I **definitely** didn't stay for the mind-blowing sex!

Are you serious?

No.

God no, he didn't like doing that.

I think he did it...maybe twice?

I had to ask him to do it both times.

Well...yeah.

He expected blow jobs all the time.

I didn't mind, but...it would have been nice if he returned the favour.

[Surprise]

Oh. You do?

Um...how much do you like doing it?

Oh shit, I'm sorry, I shouldn't have asked that!

[Embarrassed]

Wow.

Um...never heard a guy say **that**.

I've never been with a quad, no.

Never had one tell me he liked me before.

God, why are we talking about this?

I'm not supposed to have these types of conversations with you, we can't...

Don't ask me that!

I'm not supposed to think about you that way!

I know you get hard, but we don't talk about it!

It's just reflex, we ignore it.

Oh.

Um...I...don't know what to say.

How long have you felt that way?

I've never...let myself think about that.

If you weren't my patient?

Um...

[Reluctant]

Then...yes.

I'd think about you that way.

But you **are** my patient, so...

[Laugh]

Sure, you'll fire me, okay!

Wait...are you serious?!

Oh.

Then I guess...no...I wouldn't have any other objections.

Right...now?

Are you sure??

Okay...

(FX: kissing)

[Uncertain]

How...how was that?

(FX: kissing)

That was good, okay!

Message received!

(FX: kissing)

I'll grab your pills, be right back.

(FX: pouring water into a glass)

Here you go.

(FX: the listener drinks water)

[Embarrassed]

T—take my clothes off?

Oh—kay...

(FX: speaker removes her clothes)

[Shy]

Thank you.

Um...what next?

Yes, they're sensitive.

Lean over you? Sure.

(Listener sucks the speaker's nipples)

Oooh!

Mhm.

Oh yes, keep going!

I like having my nipples sucked.

I can reach your cock from here, hold on...

(FX: rubbing his cock over the blankets)

Fuck, that feels good.

I like it when you s—suck hard like that.

Yeah!

Mmmph, yes!

Please keep going.

You're tugging on them so hard!

Mmm!

(Listener stops sucking)

What if you get cold?!

You're right, sorry.

(FX: the speaker gets in bed, under the sheets)

[Yelp]

You **are** cold!

Let me just...warm you up a little.

I will...

I know it does, that's alright.

(FX: hand job begins)

Ooh.

All those times helping you bathe.

I never thought I'd ever be squeezing your cock intentionally.

Is this good?

(FX: kissing)

[Shy]

Yes.

Yes, I want you to eat my pussy.

[Worry]

But what if you can't breathe?

Alright! Whatever you say.

But I need to lower the bed first.

(FX: hospital bed is lowered)

Let me get situated here, hang on.

(Get into 69 position)

I'm not too close to your face, am I?

(Cunnilingus begins)

Shit!

Yes, I liked that!

Harder?

But what if I grind against your face too hard?

We need to watch your neck.

Okay!

Yes, I do.

I w—want you to lick it.

I want you to eat my pussy.

Oooh, yes!

That's good.

Yes, I want you to.

Please, **please** suck my clit.

Just like that, please!

Oh fuck!

Please don't stop.

It's so good.

Oh my God, your tongue...

It's so deep inside me, holy shit.

Yeah, I'll suck your cock now.

(FX: blow job begins)

(They 69 without dialogue for a while)

You're so hard now.

Are you going to cum?

(Getting close to his orgasm)

Where...do you want to cum?

How can I make you cum?

And...kiss you after?

Okay...

(FX: blow job continues)

(He cums in her mouth)

(She turns around)

(FX: kissing)

(Snowball)

How was that?

(FX: kissing)

Holy shit, you're so...

How's your face, do you need to sit up?

Hang on, there's some cum on your mouth, let me get that.

I'll stay.

Can you put some music on?

Rock 'n' roll.

I can't believe you came in my mouth, and we...wow.

You weren't kidding.

You **are** good at eating pussy.

That was amazing.

Um...I would but...you said you were going to fire me so...

Okay!

I'll keep being your nurse until the new one is trained.

But...um...are we going to keep doing **this** while I'm your nurse?!

(FX: kissing)

Yeah.

I'd like that too.

I really **should** get dressed...

Alright! I'll stay right here.

The game starts soon.

We can watch it from bed.

If I'm right about who wins, maybe you'll...eat me out again?
