

Terms of Service

!! I REFUSE service to anyone who uses AI image generator services/ has in the past to get art of their character. !!

Payment

- ☐ -Payment will be taken through PayPal invoices
- ☐ -Cash app, venmo, zelle etc can be used if preferred.
- ☐ -I will send you an invoice once I am ready to work on your drawing.

Refunds

- ☐ -No refunds. Please let me know if you need to cancel ASAP. I will not refund at all if work has started.
- ☐ -If I fail to finish your piece in a timely manner, or have trouble finishing your piece, I will let you know and **refund you the money**.
- ☐ -If you are rude, rush me, or make me uncomfortable I will promptly give you a refund

Process

- ☐ -You will need to provide proper reference sheets of your character, the more the better! Never feel like you're sending too much. The more references and information I have will help me make you something you like!
- ☐ -Provide as MANY references as possible for your character, vibe, pose etc etc.
- ☐ - Changes to the sketch/ overall drawing are allowed, but once I begin coloring no changes will be allowed. (Unless it is a mistake on my part, I will absolutely fix it.)
- ☐ - Additional changes after coloring has begun will require an additional fee.
- ☐ - I will take your payment once I'm ready to begin your work, it will be finished within two-two and ½ weeks, unless other circumstances come up.
- ☐ - Before I accept payment, I will sketch your character first to make sure I can draw them properly. Then I will send the sketch AFTER payment, for you to approve/ ask for changes.
- ☐ - Please keep in mind that I work a full-time job. Art is my hobby, and commissions are something I do on the side. I will work on your piece during my free time.

Usage

- ☐ -Please do not use my artwork to make a profit off of merch/something else. If you want a drawing for the sole purpose of merch, please make that clear when asking for your commission. An additional fee will be added.
- ☐ -You may repost it/ use as PFP/ etc freely, just credit back to me (eelmirin / eelsake)

- ❑ - Absolutely no use with Algen with my artwork.
- ❑ -Personal use/ printing/ shirts etc is fine, as long as it's for YOU and not being made for a profit.

Design Usage

- ❑ -Designs can be resold, redesigned, co-owned, traded, gifted, etc.
- ❑ -Do no resell designs for more than you paid (unless they have extra art)

Alternative Payment

- ❑ -If you don't have paypal, or can't use paypal, you can pay for art in amazon gift cards or steam cards!

Blacklist

It's a short one, but I do have a personal blacklist, as well as a shared one. Please just follow this simple TOS and don't be weird and it won't be a problem.

- ❑ Instigating a chargeback with PayPal will put you on my shared blacklist. (Just communicate with me)
- ❑ If you're being weird and making me uncomfortable in chats, I'll refund you and also put you on my personal blacklist.
- ❑ If you waste my time (offer money/ ask for a commission, delay payment etc), expect to be blacklisted as well.
 - ❑ You do anything with AI gen.
