

# **2025 NAN Conference Invitation**

Sisters and Brothers, I pray God's blessing upon you as we approach the Thanksgiving season, which is a special time to appreciate the abundance of blessings from our Lord.

This letter serves as a formal invitation to attend our 2025 Conference. The theme of our conference will be "**Covenant Community: What is It, How It Accomplishes God's Plan, and What Sustains It**". The conference will be hosted by the Alleluia Community in Augusta, GA, beginning with dinner on February 20 and concluding the evening of February 22<sup>nd</sup>.

While we all live in a covenant community, our understanding of it flows from our own unique experience. What we hope to accomplish during our conference is to explore how God specifically raised up covenant communities to address His desire to renew His church. We will reflect and discuss what separates a covenant community from other communities so that we can emphasize the unique charisms that God has bestowed upon us. We will share and witness how God is using covenant communities in North America and all over the world to accomplish His plan. We will explore the essential elements of sustaining covenant life so that we can collaborate with the Holy Spirit in passing on the opportunity of covenant community to another generation.

I and the NAN Council Service Team encourage all member communities to bring multigenerational leaders so that we can learn from one another, develop our relationships with one another, and really hear the Lord together. This year, we want to be even more open to bringing young people, especially those that might hear the call to leadership so that they can benefit from all the Holy Spirit has planned for this very special conference. This year, we are also open to guests, especially those living or aspiring to live a covenant community life.

For 2025, we will be handling registration electronically rather than by paper. To register for the 2025 NAN Conference and request housing, please click on this [2025 NAN Conference Registration](#).
