Dear Mother's

✿✿✿ Tips of Points For Tarbiyat e Aulad Part # 4 ✿✿✿

🔍 The mother must chose the most appropriate parenting strategy.

⌚ The mother should not be impatient, rather set targets for the long term and work towards achieving them.

⌚ Learn to be patient.

🚫 Don't let your child feel peer pressure.

📖 Educate your child about Allah using His names.

👑 For upbringing of the child, knowledge of the Qur'an and Sunnah for the mother is a must!
