Dear \_\_\_\_\_ ;

We are a homeschooling family residing in the \_\_\_\_\_ School District.

Act 196 of 2014 outlines qualifications for those who wish to serve as homeschool evaluators. At the end of the list, the law makes provision for evaluators with other qualifications.

“At the request of the supervisor, persons with other qualifications may conduct the evaluation with prior consent of the district of residence superintendent. In no event shall the evaluator be the supervisor or their spouse.”

I am requesting the superintendent to consent to us using **Stephanie Huston** as our evaluator.

Mrs. Huston graduated from The College of New Jersey with a Master of Arts in Teaching Elementary Education. She is a New Jersey certified teacher with over twenty years of teaching experience, first in New Jersey's public schools and currently while homeschooling her own children.

Please respond with your signature on the attached. However, unless I hear otherwise from you in writing by <use a date about 1-2 weeks after you plan to mail the letter>, I will assume that my request has been granted.

Sincerely,

Homeschooling Supervisor
