

HPHS Honors & Recognition Programs

Honor Society: Members of the Class of 2020 were inducted into the HPHS Honor Society in March 2019, the 18-19 school year! No further application was needed for membership, it also applies for this year. The graduation program will have a special mark next to the student's name indicating he/she was a member of honor society.

Honors Night: The evening is a celebration of department awards, community recognition and scholarships, memorial awards, and special scholastic accomplishments. Recipients are determined through achievements, nominations and applications. Most of these awards are given based upon staff nominations and applications completed by students. These applications were made available via the Post-Secondary Office. In addition, we also recognize the Chamber of Commerce recognitions, these are determined by criteria set by the businesses and teacher nominations.

Our virtual program was presented Wednesday, May 20 at 6:30 PM. <https://youtu.be/Q14C96Aq5IQ>

HPHS Scholars: We are also proud to recognize our Highland Park High School Scholars from the Class of 2020 during the virtual ceremony.. Scholars are determined using weighted (4.4) and unweighted (3.8) grade point average. Final GPAs will not be determined until teacher grade submission at the end of May. Please note that the GPA that appears on Infinite Campus is already rounded. No further rounding will occur.

Salutatorians: Students who earned the 2nd highest overall weighted and unweighted GPA in the class.

Valedictorians. Students with the top weighted and unweighted GPA in the class.
