4:40	OLD BUSINESS YOUNG AUTHORS *Kick Off Event- Jill/Carl- went well. We had 12 people present on the virtual meeting. Carl spent 30 minutes explaining the Young Authors contest and how to set up judging in the building and district. Maci spoke for 20 minutes and had great ideas for writers. She has shared WSLA information on Facebook. She is interested in attending a Writers Workshop in Casper to support us. *Adventures with Authors- first one today. One person attended the virtual event, and Carl had his ELA class at NCHS in person. The video recording is here and will be placed on the website. * Devin- State Coordinator Meeting/NCSD Coordinator Meeting will be held soon. WEBSITE- We have an agenda item on WSLA meeting on Nov. 21 to ask if CLC can have a tab on the WSLA website to share our local information. HALLOWEEN EVENT- Sara We talked to parents and kids about Young Authors and passed out bookmarks and flyers about YA and the Writing Workshops. Event went well. Suggestion for next year is to get a booth inside. Great idea, Teri!
4:55	NEW BUSINESS Does CLC want a Facebook page for our local events? Yes, Katie said it would be a great idea for older students as they use FB and Instagram all the time. Let's vote on this next month and Jill will get it started for the new year. CLC logo? Vote on next month. Anyone may bring another logo for consideration Writer Workshop Update- Teri TIME: 5:30-6:30 pm for students. Adults need to arrive at 5:15 to help set up, and can leave when cleanup is finished (approximately 6:45). - DATES: November 7, 16, 28 December 6, 12 January 4, 12, 18 Writer Workshops sign in sheet- Writer Workshops sign up Workshop participants Adult Volunteer sign up Writer Workshops flier

	○ BGCCW flier distribution - Yes! Also on their Facebook page ● New Teacher gift ideas - There are about 100 new teachers in NCSD this year. Let's ponder which item would be best and determine the cost for next month's vote. Then, we could order the gifts and be ready in the new year to attend a new teacher meeting. Jill will check out who is in charge at CSF. ● We need a Fundraiser committee-Jill- whose forte is this? We need you! ● Do we want a Spring Speaker for our members? Evening or Saturday?-Jill We don't have enough information from the membership surveys. Let's ponder ideas for January. Would teachers like to stop in and visit with a few authors, look at their books, and learn writing strategies? Kaie thought teachers may like this idea. ● Other ways to support teachers? Emily Trujillio mentioned that teachers need people in their classrooms assisting with writing. Could we connect with retired teachers to do this? ● Katie asked about receiving flyers for schools. Members can forward emails and flyers to their colleagues once they are approved by NCSD as they are sharing resources from teacher to teacher. Emails just cannot come from WSLA/CLA. Teachers can also print from any of the links that we have on the agenda or emails. ● Sara contacted all the elementary principals about the flyers and asked them to post them in the buildings. ● Jill will do this for middle and high school principals. ● Jill will drop off some flyers for Katie at KW and to Kelly Hodgins to share in the community. The Boys and Girls Club already has these thanks to Teri.

Perhaps, using links in a spreadsheet(you cannot link a pdf.) All physical books have been returned to Coordinators. Not all entries were scanned this year so we do not have a copy of all winners. We are still figuring out how to share the feedback from the Google Judging forms with students. Jill will place a link to the winners on the WSLA website and Facebook page. <u>YA Debrief</u>- We will debrief at another meeting and we will schedule hard deadlines before July. WSLA celebration in September. The 19th at NC Public Library. Emily Trujillo and Becky Davis are on the planning committee. We can use this date to celebrate the 2022-23 winners and Kick off the new year with authors present. Maybe, building coordinators? Ideas: physical in Casper with a virtual event too; luncheon? We discussed looking at dates. Can we move the deadlines up to work better with schedules? Jill is meeting with Julia Whyde from Casper College to determine ways that we can support each other. She is the Dean for the School of Fine Arts and Humanities.

	Jill also mentioned having 3 tiers of judging- building, district and State. Can we build three tiers of people so no one is burnt out? Can we provide credit if someone judges all three? Jill will check into this.

There should be a RVSP coming out soon. - We need an annual budget to approve by us in June and then WSLA in July so that we do not need to approve yearly spending - Noreen and Jill will complete a budget based on this year's spending so we can approve it at the June meeting before WSLA meets in July. - Should we have an annual meeting for CLC in person for about 3-4 hours in place of a June, July or August monthly meeting? We could have an author to visit with us. We could plan an in person activity for next year. Jill will send out dates to see when we could meet in June.
