 - PRP facials and hair restoration
 - IV hydration and vitamin therapy
 - Cryolipolysis and/or EMS body contouring
 - Conduct pre-treatment consultations, assessments, and informed consents
 - Maintain accurate documentation and charting in the EMR / GHM system
 - Educate patients on post-treatment care, follow-ups, and membership options
 - Collaborate with NPs and MAs for integrated care of GLP-1 and peptide patients
 - Maintain compliance with all safety, sanitation, and medical protocols
 - Participate in staff training, protocol development, and promotional events
 - Support marketing efforts (before/after photos, social media participation as appropriate)
-

Qualifications

- Active **Registered Nurse (RN)** or **Nurse Practitioner (NP)** license in [Your State]
 - Minimum **1–2 years of experience** in aesthetics, medspa, or dermatology setting preferred
 - Certified in injectable neuromodulators and/or dermal fillers (preferred)
 - Skilled in PRP, microneedling, IV therapy, or willing to train
 - Excellent interpersonal and patient communication skills
 - Strong interest in holistic and wellness-driven care models
 - Comfortable using digital systems (EHR, GoHighLevel CRM, etc.)
-

Compensation & Benefits

- Competitive hourly or per-treatment pay structure
- Commission or bonus for retail and membership sales
- Staff discounts on aesthetic services and wellness programs
- Ongoing training and certification opportunities
- Flexible schedule within a supportive, team-oriented culture

Why Join Us

- Be part of a growing clinic at the forefront of **weight loss and regenerative medicine**.
- Hands-on training in advanced procedures (IV therapy, PRP, aesthetics).
- Professional growth opportunities as the clinic expands services
- Supportive, collaborative, and patient-focused work environment.

If you are a dedicated RN passionate about wellness and innovative care, we'd love to hear from you!
