

Hey Prospect Name,

Your last video about the smartest route to \$15,000 a Month was solid, your private group must be growing at an increasing rate with free value like that.

I wanted to let you know that I've seen a specific video idea being used that really boosts its rank with the algorithm, and you could be missing out on its potential growth.

I think it would be a lot of fun to help you test it out (completely risk free of course), and it would be cool to learn more about your private group in the process.

If you want a specific video idea that could lead to channel growth, send me an email.
