

Join the Kea'au Elementary School PTSA Today!

Dear Kea'au Families, Faculty and Staff,

Welcome to the 2025-26 school year! The Kea'au Elementary School PTSA invites you to join our PTSA.

How does the PTSA address the needs of the school?

PTSA has a voice in local, state and national governments on topics such as school funding, school facilities, and teaching standards.

How are the students affected by the PTSA?

The PTSA is a forum in which students, parents, school faculty, and the community can come together to share ideas on topics that affect children and education. The PTSA also sponsors student, family, and community events throughout the year.

The strength of the PTSA lies in its membership

Parents, teachers and community members please join PTSA to making a positive difference in the lives of children. Your membership strengthens our mission to support and speak on behalf of our youth, to assist parents in developing the skills they need to raise and protect their children, and to encourage parents and public involvement in the public schools of this nation.

Membership dues for this year are \$10.00. Below you will find a membership form. Please return the completed form along with your dues to your child's homeroom teacher. Personal checks can be made out to

Kea'au Elementary School PTSA. Once your forms are processed, your membership card will be sent home with your child. Thank you for your support!

Sincerely,

Melissa Watanabe
