

Student Project Proposal Form

Civic Action Scorecard

ES-22A: Design and implement an Environmental Action Project

Criteria (your proposed project will...):

1. Research and address an environmental concern or issue
2. Be approved by and coordinated with Earth Ethics Institute staff
3. Offer a solution to the problem
4. Be made available for others (students/community members) to participate and contribute
5. Implement the solution
6. Upon completion, be presented and made available to the public in conjunction with Earth Ethics Institute

To initiate an ES-22A project, please contact Earth Ethics Institute staff to submit this form:

www.mdc.edu/earthethicsinstitute/about/staff/

Contact Information: *(Include your name, email address, and any other relevant contact details.)*
