

P2 Company - Feedback

Priscilla Cho

Technical

- One set of preconnect → font links
- Make sure alt description too long
- Footer goes into the body
- Footer logo → where the link is going
- Product alt → taking us to product, alt should be of product.html
- header h1, h2 don't jump around
- Amount → not h6 use, use p
- Missing Alt in product photos
- Don't put comments before <!doctype>
- Use header element
- Don't use figure without fig caption → change it to div
- Readdressing the footer links

Design

- Missing citation link in footer
- Banner headers are extended too wide
- Paragraph font needs to be larger font weight → hard to read
- Footer in smaller size needs to be made into one column
- About.html → add padding to right and left of text
