

Dissemination report of the Erasmus+ project STRET.T.2 - Students Today Responsible Entrepreneurs Tomorrow – Teacher Toolkit" held in SUGS Rade Jovchevski Korchagin. The modules from the LTTA2 were covered in 4 hour daily training. For the convenience of covering a wider audience, two separate dissemination trainings took place, education 16 school professors and staff members. The first training was held at 12th of February, and the second on the 15th of February.

The training was delivered by four professors who took part in the LTTA2 training in Skopje, N.Macedonia - Marina Peshovska, Leonora Katalinic, Tatjana Golcheva and Lidija Stojcheva. The training covered the background of the STRET.T.2 project, the DigiEdu platform presentation followed by test on digitalization skills. The SELFIE platform was presented and discussed with the idea to do a follow up on the actual active work on the platform. A number of digital tools were also presented through practical work where the professors had the chance to see how most of them are used in practice. The digital tools covered were Canva, Mentimeter, used of Google tools such as Google drive, Google doc for cooperative work.

Participating professors had the opportunity to see the news in the world of digitalization in education, test their previous knowledge and get tools to improve digital competencies and create lessons with applications and tools from the latest digital innovations. In the upcoming period, we will test, analyze and adapt teaching content according to new European standards in order to provide our students with a modern and advanced learning system.
