

# THE STATION SERVER RULES

## Griefing and Stealing

Griefing of any kind is not allowed on the server and will result in proper punishment. The following are considered griefing:

- Blowing up another players property
- Stealing a players items or blocks
- Modifying another players shop/base without permission

**Note:** Pranking is allowed and encouraged but you know your boundaries.

## Game Modifications

Using modified clients or hacking is not allowed. The following modifications are **not** permitted:

- X-Ray (Texture packs & clients)
- Chunk loaders
- Aura-Kill
- Flying cheat clients
- Mini-Hud
- Scroller

The following modifications **are** allowed:

- Optifine HD
- Schematica
- Mini-Maps
- Better Hud
- Inventory Tweaks
- Shaders / Texture packs, etc.

## Account Responsibility

Players are responsible for all activity on their account no matter the cause. For example, if your relative used your account to violate any rules, you will be held accountable.

## Activity Requirements

Players are required to join the server at least once every 14 days. Join sessions of 30 minutes or shorter are not recorded. Players who fail to meet this requirement will be unwhitelisted but will remain on the Discord server. **You may reapply at any time to rejoin.**

The following will occur once a player is inactive for more than 1 month:

- Player items will be auctioned or distributed
- Player property will be auctioned or distributed
- Players currency will be added to the server funds
- Donation ranks will **not** be removed if player returned

## Maturity and Drama

Since this is a 16+ community, inappropriate language and otherwise offensive slur is allowed. Although, harassing or pestering other players will not be tolerated and appropriate actions will follow. For example, constantly swearing at another player "as a joke" is considered harassment. **(This is a Minecraft server, not a Kindergarten)**

## Auctions

The following rules apply to The Station's Discord #auction-base:

- You cannot rescind bids after they've been sent
- Do not overbid. Bid only what you have
- Auctions winners are expected to pay a Ground Control member within 24 hrs of auction closing
- Diamonds are the only currency accepted unless otherwise specified

## Item Duplication

Item/block duplication is not allowed on the server. These include:

- Rail duplication
- Carpet duplication
- Etc.

The following have been approved:

- TNT duplication
  - **Note:** You cannot have this farm running 24/7. Use only as needed.

## Occurrences of Lag

Due to the server finances and operations, we may need to intervene on farms (such as mob farms, automated farms, etc.) due to an increase in server lag. A Ground Control member will remove the farm for you and refund all materials and compensation.
