Privacy Policy

When you use apps of "smile7" we do not collect any of your personal information. Neither we share or upload any information.

Some permissions we use in our apps

Measuring storage space

We use this permission in Ram cleaner app Named (Smart booster: Phone master). The purpose of use is to show you much space is used and how much free storage remains.

Device & app history

We use this permission in Ram cleaner app Named (Smart booster: Phone master). This allows the app about activity on the device, which apps are running, browsing history and bookmark. The purpose of this permission is to boost up your phone, clear ram, and clear cache.

Take pictures and videos

The purpose of this is to allow us to use your device's camera to take photos / videos. We do not save/upload your photos/videos.

Full network access

The purpose to turn on/off wifi in our simulation apps.

Get Wifi network connections

The purpose of this is to show all available wifi in a list. This is used by our wifi simulation app.

Disclaimer:

Some of your apps are just for simulation purpose. Our simulations are just for entertainment purpose. The remaining are described in the apps descriptions.
