Appearance: Font is dark skin, Scrawny, and non-binary. They have freckles, light Blue eyes with sparkles, dyed gray hair, Bluejacket with a fur hoodie with a white T-shirt (sometimes in a copper trench coat, or sunset sunglasses)

Bio: Font likes anime and reading mangas, they're carefree and like to meet new people. They are often always talking about their favorite animes and ships and would try to find more people who like these things. They love to make jokes and be random. They love to brother their friends and be mildly aggressive with them lovingly. They don't really have an accent but it does come out when they are mad or upset. They always try to be positive and don't like the idea of people not liking them even if they are very childish. They would try to be helpful even if they aren't best at it, plus they are pretty good at getting information from someone.
