Google Form

1. Masuk Google Browser
2. Masuk ke drive.google.com
3. Klik Buka Drive
4. Login menggunakan gmail masing-masing

Agar data kita tersimpan di folder tersendiri, maka kita buat folder dulu menggunakan nama pendek masing-masing.

5. Klik New
6. Klik Folder

7. Ketik folder yang diinginkan, misal nama pendek Anda

8. Klik Create

9. Klik dua kali folder yang sudah dibuat

10. Isinya masih kosong

Sekarang kita mulai membuat Form

11. Klik New

12. Klik Google Forms atau Formulir

13. Muncul seperti ini:

The image shows the Google Forms editor interface for a new form. At the top, there is a purple header bar with a document icon, the text 'Untitled form', and a star icon. Below this, the main area is split into two sections. The left section is a large, empty light purple box. The right section is a white box with a purple border. It contains the title 'Untitled form' in a large black font, followed by the subtitle 'Form description' in a smaller grey font. Below the subtitle, there is a light grey box containing the text 'Untitled Question'. Underneath this box, there are two radio button options: 'Option 1' and 'Add option or add "Other"'. The 'Add option or add "Other"' text is in blue.

14. Klik Untitled Form sebelah sudut kiri atas

15. Ketik: Latihan Form 1

16. Buatlah desain seperti gambar ini:

16. Klik tombol Add Question

17. Di kotak Question yang baru, ketik NIM
