OUR VISION

CREATE GENES OF SUCCESS FOR INFINITE CAREER OPPORTUNITIES

ABOUT US

- GENEFINITE, a name that elegantly blends "gene" with "infinite," embodies the visionary aspirations of Mr. Khushraj Singh Solanki. Founded in 2018, this premier science academy has been committed to fostering academic excellence and helping students achieve remarkable results for over half a decade .
- The results speak to the level at which GENEFINITE operates.
- In an era where academic pressure is at an all-time high, GENEFINITE recognizes the need for innovative and effective educational strategies. The academy meticulously designs its courses and academic sessions to address the unique challenges faced by students. By integrating cutting-edge teaching methods with personalized support, GENEFINITE ensures that students can navigate their studies with greater efficiency and confidence.
- At GENEFINITE, the focus is not merely on academic performance but on holistic development, equipping students with the skills and mindset necessary to excel both in their studies and beyond. The academy's dedication to creating an optimal learning environment reflects its commitment to unlocking each student's full potential and guiding them toward success.
- As these students gear up for the country's most demanding exams , we should not forget the fact that despite their rigorous preparation, they are, at their core, young kids . With this in mind, GENEFINITE is thoughtfully structured to provide a supportive environment where they can not only excel academically but also grow into the most capable and confident versions of themselves.

MISSION

- Our mission is to help students grow from their basic skills and achieve the unlimited success they dream of. We aim to develop the qualities needed for every child to reach their full potential.

OUR VALUES

- **Recognizing Potential:** We believe every child has immense potential. What they need is proper guidance to unlock it.
- **Mentorship and Support:** A great mentor can transform a child's life. Here, we don't just teach—we mentor students, helping them overcome any challenges they face.
- **Core Principles:** We focus on regular assessments, constructive feedback, and thorough mistake analysis to ensure continuous improvement and growth.

WHY GENEFITE ?

We provide top-tier coaching for IIT-JEE, NEET, and CBSE exams, led by esteemed and highly regarded faculty. The perfect student to teacher ratio is one of the key features of GENEFITE along with the amazing revision strategies and doubt sessions .

1-Personalized Attention = we understand that if the ratio of teacher to students is not proportionate , this will halt the progress that our students can make. Therefore, at GENEFITE we ensure the perfect teacher-to-student ratio which enables the teacher to provide personal attention to each and every student individually .

2-Modern Teaching Methods = Our faculty's teaching methodology is fully aligned with the demands of modern education, ensuring that students excel not only in our coaching programs but also in their schoolwork

3-Recurring Doubt Sessions = We provide a comprehensive solution for all student queries through regular doubt sessions, ensuring that no question goes unanswered.

4-Positive Peers =It's often said that you are the average of the five people you spend the most time with. At GENEFINITE, you'll be surrounded by peers who will support your growth and help you achieve greater success.

5-Friendly Teachers = Many students feel intimidated by their teachers and hesitate to ask questions. At GENEFINITE, our friendly and approachable faculty creates a comfortable environment, encouraging students to ask questions and achieve excellent results.

DIRECTOR'S MESSAGE

Dear parents and students ,

Our vision is to provide the best education to the students and the next level practical knowledge and broad concepts of the respective subjects . so that the students will get a great result and wonderful career opportunities in their upcoming future goals.

OUR COURSES

1-NEET

The biggest roadblock in the journey of becoming a doctor is often the preparation itself. At GENEFINITE, you will be taught by the best teachers for NEET, who not only dedicate themselves to your selection but also make the journey as enjoyable and insightful as possible.

Our NEET course is open to students in 11th and 12th grades studying Physics, Chemistry and Biology as well as who are taking a gap year.

2-IIT-JEE

Given that this is one of the most challenging exams in the world, it's unrealistic to expect students to tackle it alone. The depth of understanding required for each concept is profound, which is why we have carefully selected the top faculty for JEE. Our experts are dedicated to helping students master each concept thoroughly and with ease.

Join our IIT-JEE preparation course at Genefite Science Academy, open to 11th and 12th-grade students and those taking a gap year. Master Physics, Chemistry, and Maths to achieve success.

3-CBSE CLASSES

Finding quality CBSE education can be challenging, as many providers make exaggerated claims about their results. At GENEFINITE, we stand out by genuinely prioritizing our students'

success. Our commitment to excellence is reflected in the outstanding achievements of our students.

Dedicated CBSE classes for 9th and 10th graders in Maths and Science, with specialized instruction in Physics, Chemistry, Biology, and Maths for 11th and 12th-grade students.

FAQs

1. Do you offer a demo or trial class before joining?

Yes, we do offer free demo classes for a 7-day period for anyone who wants to experience the quality of GENEFINITE. You will be mentored by the same faculty who will teach you in the demo class, and you can ask them anything regarding the courses.

2. Are the faculty members experienced enough to teach for these exams ?

Yes, the faculty is very experienced and have mentored several students to pass these exams. Each and every faculty member has an experience of over 6 years and they are highly qualified to teach for these exams.

3. What is the batch size? Will I get personalized attention ?

The batch size is perfectly designed and planned so that each and every child can be analyzed individually. You will definitely get personalized attention, and the improvement that you will experience due to small batch size will be noteworthy.

4. Will my doubts get solved ?

Absolutely! The faculty will thoroughly resolve all your questions, leaving you with no lingering confusion and a clear grasp of the material.
