

# French Popular Music

Assignment, part 1 Due Wednesday, February 20th at 11:55 PM

Your assignment is to find a French song on YouTube and post the link below.

To keep the notation simple and consistent, please do it like this:

[Imagine](#) by John Lennon (Mr. Isom)

Assignment, part 2 Due Sunday, March 3 at 11:55 PM

Listen to at least seven of the songs other students posted. Next to your favorite song you need to write your name and #1. Next to your second favorite, write #2. Then you need to find another song that *no one* has written #1 or #2 next to, and write #3 ( or "I like this one, too" for any others you happen to like).

To get us started, I've listed a few songs myself and have rated them to show you how I'd like you to do assignments 1 and 2.
