

The Valley PTO has developed a secure way for you to share photos for yearbook consideration. Please upload **no more than your 5 best photos from each event** into their respective folders! **The more students included in your photos, the better.**

Only sending your best allows our yearbook designer to more easily narrow down the selections and ensures that all students receive the opportunity to have their photo in the yearbook. Photo use in the yearbook is always at the discretion of the designer, but your student can't be featured if we don't get photos of them, so please share!

**Folders all have deadlines.** Please upload your photos as soon as possible after an event! This helps us to begin yearbook design early and more easily organize photos. **If possible, please use the teacher's name and/or grade in your photo name,** it's also helpful to include the event name.

Events are listed during months they previously happened. Please attend the PTO meetings or check the newsletters for actual event dates and info. I will update this list as needed throughout the year.

**August** (Deadline: 9/15/2025)

Meet the Teacher  
First Day of School

**September** (Deadline: 10/15/2025)
