

Bulletin Board

Make a special family bulletin board. (Please do not buy a bulletin board. It can be a piece of construction paper or a piece of cardboard.)

Invite family members to add notes telling you:

- That they are praying for you;
- What they will do to help you learn more about Jesus and his love for you

Make a card like the one below to begin your bulletin board display.

This project is due _____.

Dear God,
You have called me by my name

(name)

I am Your child. Help me learn
more about Your Son, Jesus.
