I hit legend in Standard with Treant Druid (DELIGHTFUL!)

### Hydralisk:

Welp - It took me like 3 months but I finally finished holly by SK 2 nights ago. It is good but obviously not THAT good as it took me so darn long. I have to finally hit Nate up about it. I started reading the Alchemist. It should not take long!

Convinced my director to read 11/22/63. He actually asked me which SK book I would recommend for him and thats what I picked

Things I am doing in wild are not really working RN. I have an abysmal WR currently and working to fix that! (48% to be exact...) I think I need to find a new fav thing cuz the old ones are not working out.

### Unearth Powerful New Synergies with the Delve into Deepholm Mini-Set!

Blizzard Entertainment 01/11/2024

Our noble outlaws tried to warn them, but the Bloodrock Mining Co. dug too deep and unearthed a portal to Deepholm in the Elemental Plane. As Therazane fights for her domain, new friends and unlikely allies fight for their lives! Get ready to dig in, this is the Delve into Deepholm!

Delve into Deepholm, launching on January 18, consists of 38 new cards: 4 Legendary cards, 1 Epic card, 17 Rare cards, and 16 Common cards. Those cards can either be opened in Showdown in the Badlands packs or purchased as a complete 72-card set.\* Normal versions of the Mini-Set can be purchased for \$14.99 or 2000 Gold. The all-Golden version of the Mini-Set can be purchased for \$69.99 or 10,000 Gold. The Golden Mini-Set option also includes a bonus Diamond Legendary card.

### The Stonemother Defends Her Holm

Therazane, the elemental lord, is not happy to see intruders in her domain, mining its resources and disturbing its denizens. She fights fiercely—and even when she falls in combat, her subjects are empowered by her raw elemental power!

But who will take her down?!

### Familiar Faces Join the Fight

When the outlaws followed the Bloodrock Mining Co. down to Deepholm, they found some intrepid explorers had already joined the fray. One brash dwarf's cries in battle could be heard echoing from below.

Deepminer Brann was far below the surface when Reno and Elise rode into town, unaware of the havoc the mining operation was causing. But once the elementals awakened, he turned his pickaxe to the new challenge. This was when Reno and Elise first fought alongside Brann and they were impressed with his tenacity; if they were going to make it out of Deepholm, they'd need to be in league with folks like him!

Brann is one of two new no duplicate cards in Delve into Deepholm! Brann is also the bonus Diamond Legendary card included in the Golden Mini-Set.
