

# Bulloch Academy Senior Contract

2025/2026

For over 50 years, many people have invested their time, money, and sweat equity into making Bulloch Academy a place we can call our school. Students are responsible for the care of school property by helping to maintain the cleanliness of the school grounds and buildings. Any damage (including vandalizing, breaking, or graffiti) to school property is the student's (and parent's) responsibility to repair or replace. School property includes, but is not limited to, the following: textbooks loaned to students, desks, walls, heat/ac units, carpet, floors, telephones, wall signs or posters, lights, ceilings, lockers, athlete uniforms and equipment, and computers.

## SENIOR EXPECTATIONS AND INCENTIVES

In the past, it was a "tradition" for the senior class to play a **senior prank** on the campus of Bulloch Academy. Please be aware that this kind of defacing of Bulloch Academy falls under the Vandalism section of the Student Handbook. Any student who participates in an act of vandalism is subject to suspension from Bulloch Academy. In the case of a senior participating in an act of vandalism, the student **may NOT be allowed to walk during graduation and will be financially responsible for any monetary damage.**

The Administration and Board of Directors of Bulloch Academy realize these types are not malicious in intent and are students celebrating the end of their time here at BA. However, due to several reasons such as: insurance, student safety, and thousands of dollars spent on repairs Bulloch Academy will no longer condone or tolerate such actions/pranks.

In the spirit of realizing the students want to be able to celebrate the end of their High School careers, we would like to offer several options/alternatives for a year-end celebration. At the start of each school year, the senior class would vote on these options. The option that gets the most votes will be the one selected for year-end. The options are as follows:

1. Senior Water Day – Water activities will be provided for the senior class for an afternoon of fun on the BA campus.
2. Mud Run or Color Run – A day of fun activities highlighted by a Mud Run or Color Run that will raise money for a local charity.
3. Students would be eligible to finish their senior year up to a week prior to the official end of school and complete all exams.

**If a senior must complete any seat hours, all senior seat hours will be made up during the last two weeks of school.**

-----

I understand that I will be responsible for my actions and behavior and to follow the rules and guidelines set forth by Bulloch Academy, as it relates to Senior Incentives and
