- Hard Huff
- Gurill Guest ½ mk each

- Mboga beseeches Ramogi, the ancestor of the law people to intercede on his behalf for a son an heir to the bearded stool of the Kadibo people what is a mighty ruler without a son? What is a father without on their sees his daughters through 'numerous' as birds of the air who will migrate to the lands.
- The Bamboo hut is promised to whoever bore a son, an heir to us bearded stool. It stands next to the chiefs hut, it is cosy, clean, cool and beautiful but only if you barson will get it. Achieng and Agiso
- Achieng gives birth while act out at the well. It is a baby girl, the long missed desire for a son turns her heart again the baby weeps bitterly. How do I break this sad news to my husband? Will the chief bear the thought of another girl no.....no let my mouth be sealed forever the ancestors have wronged me.
- Decides the chief should have the son to fulfil his lifes dream abandons Apiyo.
- A boy child is given prominence against a girl, the chiefs drum booms four times instead of the usual three for a girl and the family rejoices, the other wives can only be envious and bitter.
- Owing is shocked b the girls natural air of importance. He never took orders from any one, let alone a woman. E swallows his pride and throws her the beaded lain clothe.
