**“A disco ball is hundreds of pieces of broken glass put together to make a magical ball of light. You aren't broken; you are a disco ball.”**

Thank you for considering a sponsorship opportunity for this upcoming event.

Changing Destinies Ministry (CDM) is a 501(c)3 anti-trafficking non-profit. Our vision is to see sex-trafficked women encounter God's love, experience transformation, and reintegrate into society. Our mission is to provide a place of refuge for sex-trafficked women through a Christ-centered residential program.

Human and sex trafficking affects every demographic. There are approximately 28 million people enslaved worldwide. North Carolina consistently ranks in the top 12 states for reported cases. The number of survivors in need of residential, trauma-informed case management exceeds the number of available beds.

To be part of the solution, CDM recently purchased a 13-acre property we have named Rachel's Refuge. It features a 5,000 square foot home with 6 bedrooms and 7-1/2 baths. This will become a restoration and reintegration home for sex-trafficked women and a live-in Residential Assistant. There is also a 1,350 square foot cottage with 2 bedrooms and 2 baths for a couple to provide ground maintenance and oversight.

To make our vision a reality, we are currently seeking sponsorship for this event. Your participation will benefit our organization in opening the doors of Rachel's Refuge. We appreciate your consideration by supporting one of the sponsorship opportunities. To express our gratitude for your sponsorship, there will be perks associated. We look forward to partnering with you in our mission for our community.
