

Grades K-2 School Supply List 2026-2027

Hello,

I hope you had a wonderful summer. I am very excited to be back in the classroom and looking forward to the next school year. This school year I am handling the school supply list differently. To help limit the sharing of classroom supplies within the classroom and students, **the school will purchase supplies and hand them out throughout the school year as needed.** The cost per student is **\$55.** This payment can be made by check, cash or online and should be turned in at **registration on August 9 or by Friday, August 15.**

There are some items that students need to purchase themselves. To help students stay on task during class time we ask the students to please stay to the list and not bring personal items. Listed below are the supplies needed for all grades and kindergartners only.

Items for all grades (K-2)

- Self-sealing, no-spill water bottle (bottles that spill will be sent home)
- Backpack (Must be able to fit a three-inch binder)

Kindergartners only

- Change of Clothes
 - kept at school in case of an accident, labeled with the child's name in a bag
- Naptime Blanket and travel-size pillow
- 1 **small** stuffed animal to cuddle at rest time. (optional)
 - Please do not send any other toys.
- 1 foldable rest mat (no exercise roll mat, you can find foldable ones at Target, Walmart or Amazon)

Below is the list of supplies that the school will be ordering for your student:

- | | |
