

## **BAA Senior Leadership Workshop**

Seniors: We are very excited to share that we will be hosting a **lunch and leadership workshop for the senior class** this **Friday, March 22, from 12:00-2:00pm** at DotHouse Health (1353 Dorchester Avenue). This workshop will be led by artist Wyatt Jackson, whom many of you know. During the workshop we will be thinking and talking about "Legacy" - yours as an individual and yours as a senior class. Seniors who participate will also get ½ off of their Six Flags Ticket. (You will be able to "earn" the other half by attending another, upcoming senior workshop.)

Seniors and chaperones will leave F block at **11:45** to walk to DotHouse Health together (we will make an announcement). You will be dismissed from DotHouse Health at 2pm.

### **About Wyatt Jackson Biography**

Emmy Award® winning dancer, recording artist, and actor, Wyatt Jackson began performing throughout the New England region with his own hip-hop crew in the 1980s and worked with the acclaimed Boston Youth Theater for seven (7) seasons. He was later cast in the European tour, *Body and Soul*, where he worked with Tony Award® winner, George Faison, Mercedes Ellington and European avant garde producer and director, Andre Heller. Upon finishing the tour, Jackson landed a recording contract with Warner Brother Records, under the corporate direction of actor, Michael Douglas. The hip-hop/R&B duo, *HERE AND NOW*, mixed vaudeville style storytelling with popular music production. The chart-climbing release generated two hit songs, *Are You Ready* and *Tastin' Love Again*, the latter landing him the soundtrack to the Paramount Pictures release, *Losing Isaiah*. He currently produces media for outlets such as: CBS, PBS, Vh1, MTV, BET, BPHC and Mercury Polygram Records. Mr. Jackson is a life-long practitioner of the philosophy of The Law of Success and Think and Grow Rich by Napoleon Hill and is currently getting his Certification to be an instructor of the Success Philosophy by the Napoleon Hill Foundation for the ImagiData team.
