

So I found some of Alexa's stuff, which she had been making apparently. Secretly I guess. I just thought I'd, like, put it on here because it like seemed weird not to... Kind of weird watching it now. But like good weird? I dunno.... Why do I feel like she's gonna watch this even though I know...um, they're gonna watch this. They aren't gonna watch this. Yeah, they're not gonna watch this. No one's gonna watch this. Yeah.
