

Google Hangout Reflections

Monday June 5th

9:30 am or 2:15 pm

Students share what they built and how it represents what they think it looks like to be a great Canadian.

Prompts:

1. *What did you build, or are you building as your vision of "What does being a great canadian look like?". How does what you are building represent this.*
2. *What did you learn through this project? Or What is your big 'take away' message from this project?*
3. *What parts of this project did you enjoy?*
4. *What parts of this project would you improve? How?*
