- ☑ ~~Evaluate afterwards~~

G Work Session Tracker Template

DRAFT

SESSION - Date + Time

Desired Outcome:

- Objective

Planned Tasks:

- Task 1
- Task 2
- Task 3

Post-session Reflection

- Notes

SESSION 1 - 22/09/2024 21:35- 23

Desired Outcome:

- Objective: Prepare and Send Outreach messages to chosen clients in my local area (local business outreach)

Planned Tasks:

- Just send them

Post-session Reflection

- I need to speed up with creating an outreach message and looking for new clients

---

SESSION 2 - 27/09/2024 (short one) 7:30- 8:14

Desired Outcome:

- Objective: send outreaches to clients + one warm outreach

Planned Tasks:

- Just do it

Post-session Reflection

- I need to improve my ability to find local business faster + short analyze them for parts for improvement

---

SESSION 3 - 28/09/2024 22:23 - 24:00

Desired Outcome:

- Objective: send 10 outreach messages

Planned Tasks:

- Use the student template for local business and send 10 outreach message with it

Post-session Reflection

- I have to count time more because I give myself too much in x amount of time and I can’t do everything what I wanted to do in this period of time

SESSION 4 -30/09/2024 22:58- 24:26

Desired Outcome:

- Send 20 outreaches (resend included)

Planned Tasks:

- Resend the messages not readed by business owners
- Find new businesses and contact them with student template

Post-session Reflection

- Everything went as I wanted to go , no distractions, I have to keep that temp in every single GWS

SESSION 5 - 01/10/2024 17:16- 18:11

Desired Outcome:

- Do outreach messages

Planned Tasks:

- Use student template to send those outreaches (local outreach)

Post-session Reflection

- I need more time on doing 1 outreach message than I thought (this whole process is quite longer than I expected)

SESSION 6 - 09/10/2024 17:51- 18:29 (short one)

Desired Outcome:

- Start doing TPA and WWP for the client

Planned Tasks:

- Follow the instructions on how to do the copy with AI by prof andrew
- Answer the WWP questions

Post-session Reflection

- With AI you can write a draft of a copy really quick, you just need to have some additional info at the beginning (spin questions etc.)

SESSION 7 - 10/10. 2024 20:53- 21:55

Desired Outcome:

- Do a copy for a client with help from LBC #4

Planned Tasks:

- Follow the process

Post-session Reflection

- The Who am I talking to part will be longer than I expected

SESSION 8 - 10/10.2024 22:50 - 24:10

Desired Outcome:

- Continue work from session 7

Planned Tasks:

- Same as 7 gws

Post-session Reflection

— While doing GWS play yourself some no lyrics music during that work.

SESSION 9 - 12/10.2024 - 15:33 - 16:43

Desired Outcome:

- Upgrade the copy for client to be the best and possible and fish it today (probably will be done in 2 GWS)

Planned Tasks:

- Review the copy by myself + make an upgrades on it
- Ask AI what does it think about it
- Ask what other G's think about it
- Ask regular person what does he or she think about this

Post-session Reflection

- Notes

SESSION 10 - 13.10.2024 - 18:58- 20:35

Desired Outcome:

- Fisinh a full copy for a client and send it to him

Planned Tasks:

- Upgrade the copy and send it to TRW chats for a review
- Create a draft

Post-session Reflection

- Use music while doing that because for me GWS with music = total focus on task

SESSION 11 - 13.10.2024 21:37 - 23:15

Desired Outcome:

- Fisinh copy for client

Planned Tasks:

- Ask G's from chats for a feedback and improve thing they will tell (if there will be any)
- Send a copy for a client
- Extra: create a facebook background image for his business account

Post-session Reflection

- I used more time on creating FB background image than I expected, and the copy is only prepared for fixes

SESSION 12 - 14.10.2024 - 00:00 - 00:38 (finished faster)

Desired Outcome:

- Finish copy for a client

Planned Tasks:

- Use info from feedback from other G's to upgrade it and send it to client

Post-session Reflection

- DONE

SESSION 13 - 14.10.2024 - 17:49 - 18:42

Desired Outcome:

- Translate the copy for the needed langage and fix errors if there will be any

Planned Tasks:

- Translate copy
- Fix language errors
- Look for sections for improvement

Post-session Reflection

- Finished it as I planned it

SESSION 14 - 15.10.2024 - 16:23 - 17:00

Desired Outcome:

- Send outreach messages by using student template

Planned Tasks:

- Ending at 17 because PUC starts
- At least 5 at this time will be good

Post-session Reflection

- Done as said

SESSION 15 - 15.10.2024 - 21:03 - 22:12

Desired Outcome:

- Send about 20 outreach messages via email

Planned Tasks:

- Prepare business email

- Send outreaches by that email

Post-session Reflection

- Sended only 10 outreaches, 1 more GWS today

SESSION 16 - 15.10.2025 - 23:28: 00:04

Desired Outcome:

- Send about 10 outreach messages (using student template)

Planned Tasks:

- Do it in less than hour

Post-session Reflection

- DONE PERFECTLY

SESSION 17 - 16.10.2024 - 20:36 : 21:04

Desired Outcome:

- Help your current clients and prepare for a talk with potential customer

Planned Tasks:

- Help to post him an ad
- Do research for the potential customer

Post-session Reflection

- The potential customer need small upgrades/changes on their website , instagram account and some good organic ad promoting their business

SESSION 18 - 21.10.2024 - 20:20 : 21:11

Desired Outcome:

- Start creating a draft for my client

Planned Tasks:

- Top player analysis
- WWP preparation

Post-session Reflection

- none

SESSION 19 - 21.10.2024 - 21:33- 23:14

Desired Outcome:

- Continue creating this copy

Planned Tasks:

- Market market analysis
- Create a draft of a copy without ad for now

Post-session Reflection

- 4th question left to do

SESSION 20 - 22.10.2024 - 14:36 - 15:46

Desired Outcome:

- Finish making a copy for a client (carpenter)

Planned Tasks:

- Made 4th question
- Look for areas to improve

- Verify it by AI and improve if needed
- Ask other G's what do they think about it
- Create an draft of an ad

Post-session Reflection

- I can definitely make things way more faster

SESSION 21 - 23.10.2024 - 15:40- 17

Desired Outcome:

- Upgrade copy by using feedback you got from G's

Planned Tasks:

- Upgrade info to make it more specific
- Call the biz owner for needed info he knows

Post-session Reflection

- Done almost perfectly (could make it faster)

SESSION 22 - 23.10.2024 - 21:32 - 22:52

Desired Outcome:

- Polish a copy for a client

Planned Tasks:

- Use the resources I have from feedback to your copy
- Ask AI what does it think about it
- Send it to trw chats for feedback

Post-session Reflection

- While doing work sound healing videos helps me to focus more (it was a quick discover)

SESSION 23 - 24.10.2024 - 14:14 - 15:33

Desired Outcome:

- Learn how to target your copy more by MARKET RESEARCH TEMPLATE

Planned Tasks:

- Watch and learn from LBC #6

Post-session Reflection

- Always do your market research before writing a copy

SESSION 24 - 26.10.2024 - 19:02 - 20

Desired Outcome:

- Finish a copy for a client (uncle carpenter)

Planned Tasks:

- Polish the whole copy DONE
- Create a draft
- Ask ai about this copy DONE
- Ask G on chats

Post-session Reflection

- Not finished , I need one more GWS for that , 1 hour will be enough

SESSION 25 - 26.10.2024 - 20:55 - 22:10

Desired Outcome:

- Finish a copy for a client (uncle carpenter)

Planned Tasks:

- Create a draft

- Ask G on chats for a feedback

Post-session Reflection

- DONE

SESSION 26 - 27.10.2024 - 8:20- 8: 45 (really short one)

Desired Outcome:

- Start fixing your copy by feedback you get

Planned Tasks:

- Morning GM
- Check the copy feedback

Post-session Reflection

- Fix the roadblock-mechanism-solution part
-

SESSION 27 - 28.10.2024 - 17:00 - 18:06

Desired Outcome:

- Polish copy with the new feedback

Planned Tasks:

- Create an ad photo
- Polish the points in draft
- Send it to the client

Post-session Reflection

- Not fisinhed

SESSION 28 - 27.10.2024 - 18:44- 19:38

Desired Outcome:

- Fisinsh the carpenter copy

Planned Tasks:

- Create a an prepared ad
- Send it to client
- Find on what our will be the best to post it

Post-session Reflection

- done
