

EXAMPLE SCRIPT

Situation of three pupils each holding a mobile phone, some may also be holding a computer instead of a mobile phone.

Stalker: Hahahahahahaha! That silly Cuchu is going to find out! I'm going to upload this video to the school group... How clumsy he is, how can he stumble like that?

Spectator: Wow, what a fall Cuchu takes! hahahahahahaha, I'll upload it to my Facebook right now!

Harassed: What is this? Who uploaded this video? I just fell because the floor was freshly mopped.

Stalker: Cool, Nica has uploaded it to Facebook, hahahahahahaha! Well, now I'm commenting on it and... Flipas!: "The clumsiest skater in the world". What a fall, you're clumsy!

Spectator: Wow, what a blast: 100 likes in 30 minutes! This is a real viral! I'll pass it on to my friends too and make it famous.... Hahahahahahaha, some of the comments are a bit strong and on top of that, many of them don't even know Cuchu! But well, I don't get involved in that.

Harassed (between sobs): But... What's going on, who is this Alien who's giving me a hard time? I'm not going to school any more, I can't stand being made fun of! And now they're sending it somewhere else, it's reaching everyone, damn it!

Stalker: Hahahahahahaha, nobody can stop this! Now to create a good meme of Cuchu leaning against the wall and saying "I deserve it and you know it"!

Spectator: Joooooooooooo, that's good!!! I have to pass this on! Later, if I want, I'll send Cuchu a private message and tell him not to get upset...

Hahahahahahaha, it's so good!

Harassed: I have to talk to someone to help me, I can't go on, I don't want to see anyone! If my friends treat me like this, who can I trust?
