

NTZB Remote Learning Intervention/Academic Support Period (Thursdays 11:30-12:15 via Zoom)

[TRADUCCION EN ESPANOL](#)

Vision: we will have an Academic Support period on Thursdays from 11:30-12:15 (opposite of the Advisory period that meets on Tuesdays from 11:30-12:15).

There will be one Zoom link (see below), and on that Zoom call will be several breakout rooms for various types of help. There will be a coordinator (Mr. Mike Isaacs) who will serve as the Zoom host, letting students into the call, assigning them to breakout rooms, moving them to other breakout rooms, etc.

Here is the Zoom room info - please publicize to students and post on Echo!
