General Guidelines

We want everyone to have a voice. At the same time, we don't want discussions to become unfocused or endless. So we try to follow some guidelines:

- We try to keep the meeting length under one hour.
- There is a 10-minute time limit to all topic discussions. If there is no solution after 10 minutes, we poll the group to decide whether to discuss the item further or table it until the next meeting.
- When a decision is made on an issue, mark it with a bold **DECISION**
- When an issue is done, mark it with a bold **DONE**
