

SCSD Technology Board Report

March 28, 2022

School Sites

- Attention on Testing! Devices and rosters set, all proceeding well.
 - Working to update and fix ELL discrepancies inside WIDA
- Prepping device collection for Summer
- Continuing camera installation

Erate

- Network upgrades continue
- Back to waiting... but this time it's different. =)
- WCC renewal filed, Socorro will continue to support the consortium.

Powerschool / Data

- 120D cleared and budget is certified
- CRDC completed and submitted
 - Will need to review discipline documentation for 22-23 to have more accurate CRDC for next round
