Ext: 3046

Class Description

The primary focal areas in 6th grade are Rational Numbers (Fractions, Decimals, Percents), Integer Operations, Expressions, Equations, Ratios, Rates, and Unit Rates, Coordinate Planes, Area and Volume, Representation and Interpretation of Data, and Financial Literacy.

Homework/Late Work

Homework in this class will be given accordingly. Students are responsible for acquiring and turning in work on time along with any make-up work. If you know your student is going to be out please let me know, so we can get all assignments ready. Absent work will be made up within 5 school days. Students are responsible for their work.

1st Grading Period:	2nd Grading Period:
• Fractions, Decimals, & Percents • Rational Numbers • Positive Rational Number Operations • Integer Operations • Equivalent Numerical Expressions	• Algebraic Expressions • Equations and Inequalities • Ratios, Rates, and Unit Rates • Coordinate Planes
3rd Grading Period:	4th Grading Period:
• Two-Variable Relationships • Triangle Properties • Area and Volume • Represent and Interpret Data • Measures of Data	• Banking and Credit • Future Planning

Grading Policy

Daily grades (in-class assignments/homework) are worth 55% of a students' total grade. Major grades (tests/projects) are worth 45% of a students' total grade. Students will have a minimum of 18 grades per 9 week grading period, with 2 of those grades being major grades. Students may redo a daily assignment within 5 school days. Test correction opportunities will be provided.

Tutorials

Tuesdays: 4:30 PM-5:30 PM

Other dates and times available upon request.

Conference: Everyday from 1:00 PM-2:00 PM (Please contact to set up an appointment).
