

Hello Dr. David,

73% of the largest and most successful businesses in the physical therapy field use the welcome email message as a tool to convert their leads into loyal patients.

I recently received your welcome email after signing up for your newsletter,

and I'd like to show you what it looks like when you aim to attract as many leads as possible to subscribe to your newsletter.

Here's how:

 **Welcome Email**

If you are interested to know more, reply to this message today.

Hope you enjoy your weekend,

Abdullah
