

Email Templates for Inquiry

1. Auto Reply for Website Contact Form

As a business owner, it's impossible to individually reply to contact form inquiries. This is where auto replies come in handy. You can use any CRM to make this process easier. Here's the auto-reply email template:

Subject: Thank You for Reaching Out! 📷

Hi [First Name],

Thank you so much for getting in touch with [Your Photography Business Name]! Your message has been received, and I'm excited to connect with you.

Whether you're planning a special event, need a portrait session, or are interested in any of my photography services, I'm here to help capture your vision. I'll personally review your message and get back to you within [timeframe, e.g., 24-48 hours] with more details.

In the meantime, feel free to browse my portfolio [link to portfolio] or check out the latest updates and photography tips on my blog [link to blog].

If your inquiry is urgent, you can reach me directly at [your phone number].

Looking forward to connecting soon!

Best regards,
