**National Dishes Around the World**

Every country has its special food. These foods are called national dishes. They show the culture and traditions of the people. Here are some examples of national dishes from different countries.

1. Italy: One famous dish is pizza. It has a round shape with a crust, sauce, cheese, and many toppings like pepperoni or vegetables. People love to eat pizza in Italy and all over the world.
2. Japan: Sushi is a popular dish in Japan. It is made with rice, fish, and sometimes vegetables. Sushi can be rolled up in seaweed or served as small pieces. Many people enjoy sushi because it is fresh and healthy.
3. Mexico: Tacos are a well-known Mexican dish. They are made with a tortilla filled with meat, beans, cheese, and vegetables. Tacos are often spicy and very tasty!
4. India: In India, curry is a famous dish. It is a mix of spices, meat, or vegetables cooked in sauce. There are many types of curry, and it is usually served with rice or bread.
5. Germany: Sausages are very popular in Germany. There are many kinds of sausages, and they are often grilled or fried. Germans like to eat sausages with mustard and bread.

These national dishes are just a few examples. Each dish tells a story about the country's history and people.
