

Checklist for Final Presentation Evaluation:

How well does the student...

- Apply the use of appropriate, key vocabulary?
 - How is the pronunciation?
- Pause at appropriate times?
- Use correct intonation and stress?
- Use correct grammar in their sentences?
 - Sentence structure
 - Correct tenses

(If it is helpful to assist the teacher in remembering, use a scale of 1-3 for each category: 1 being the student needs improvement, 2 being the student meets expectations, and 3 being the student exceeds expectations. Do not directly use this scale for grading).
