

# Tusky Valley After School Programs 2026

## Spring Session 2 (March 2-April 16)

Below is a description of classes available after school, free of charge, to all TV students in grades K-6. All students who stay after school will be given a snack and study time before their classes begin (Achievement Club). Please note, all district rules apply while students attend after school programming. Programs end each night at 4:30 pm. Bussing will be provided to community/group stops. Classes begin on Mon, March 2 and will conclude on Thurs, April 16th. (No program dates: March 30-April 6 due to spring break). Students can attend one night, or every night.

**[\\*Register Here!](#)**\*

### Monday Classes (6 sessions)

|   |   |
|---|---|
| <b>K-1 Discovery Club</b><br><b>Grades Kindergarten -1st</b><br><b>2:45-4:30 PM</b>           | <p>Students will enjoy an afternoon snack, group play/social time, and academic support (literacy/math based). This will be offered Monday-Thursday. Sign up for as many days as you like!</p> <p><b>Critter Detectives:</b> The "Critter Detectives" club invites students to explore the fascinating lives of animals through "up-close" interactive experiences. Each week, children focus on a new group of creatures from "Shelled Wonders" (turtles) to "Hunters in the Sky" (owls) learning how they eat, move, and survive in their unique habitats.</p> <p><b>Master Builders:</b> Are you ready to become a Master Builder? Join us for a session where your imagination is the only limit! Every week, you'll dive into a massive collection of building tools, including LEGOs, MagnaTiles and blocks.. Challenge your friends to a tower-off, design simple machines, or create glowing structures with MagnaTiles. There is something here for every creator.</p> |
| <b>Achievement Club -</b><br><b>Grades 2 - 6</b><br><b>2:45 - 3:30 PM</b>                     | <p>Students will enjoy a snack and work with teachers who will provide homework help, reteaching, and enrichment activities in all subject areas. Achievement Club is offered Monday-Thursday. Sign up for as many days as you like. When registering for a program below, your child will also be registered for Achievement Club automatically.</p>   |
| <b>Spotlight Stories: Readers' Theater Adventure</b><br><b>Grades 2-3</b><br><b>3:30-4:30</b> | <p>Take center stage—no memorization required!</p> <p>In Spotlight Stories, 2nd and 3rd graders transform into their favorite characters through the power of their voices. Unlike a traditional play, Readers' Theater focuses on the expressive reading of scripts, allowing students to bring stories to life without the stress of memorizing lines. It's all the drama and fun of the stage with a focus on building confident readers. Students learn to use vocal expression and "character voices" to convey emotion. Whether they are a roaring lion or a whispering wind, they'll explore how to make words jump off the page. While the focus is on the script, we add a splash of creativity! Through repeated "rehearsals," students naturally improve their reading speed, accuracy, and phrasing. It's a high-energy way to master literacy skills through collaboration.</p>  |

|  |   |
|--|---|
| <p><b>Let Grow Play Club</b><br/> <b>Grades 2-6</b><br/> <b>3:30-4:30</b></p>   | <p>Join in the free play, making friends and figuring things out!</p> <p>The Let Grow Play Club — a new activity we are offering where kids make their own fun, without adults organizing it — looks like “just plain fun.” But that “fun” is how Mother Nature disguises the hard work. Because it is “fun” to play ball, kids learn the difficult skills of focus, compromise and empathy. Play jacks, you learn patience. Play superheroes, you learn to imagine.</p>  |
| <p><b>Photography</b><br/> <b>Grades 2-6</b><br/> <b>3:30-4:30</b></p>          | <p>Wanting to learn more about photography? Learn the basics of using a camera including which lens to use, focus, up close shots, portraits, and then how to digitally enhance your projects!</p>  |
| <p><b>Viral Toy Factory</b><br/> <b>Grades 4-6</b><br/> <b>3:30-4:30</b></p>  | <p>Why chase the trends when you can make them? Welcome to The Viral Toy Factory, the only art studio dedicated to the stuff you actually want.</p> <p>We are taking the internet’s most popular obsessions off the screen and into your hands. In this class, we will design and build our own versions of the biggest crazes. From sculpting “ugly-cute” designer monsters (like Labubu!) to engineering custom fingerboards and crafting fidgets, this is the ultimate maker space. Don’t just watch the unboxing videos—create the “limited edition” toys that everyone else wishes they had.</p>                                       |
| <p><b>Seussical Jr</b><br/> <b>Grades 2-6</b><br/> <b>3:30-4:30</b></p>       | <p>Presented by New Direction Performing Arts Academy, this class will prepare students for the musical production, Seussical Jr. The class will be held in the TVMHS Performing Art Center and will be working on acting, singing, choreography and more to prepare students for the stage performance in April. Students will be responsible for participating on Monday, Wednesday, Thursday. Only those students that have been cast for a part will register for session 4.</p> <p>After the production has been completed, students will have an option to move to a Let Grow activity with peers for the final two weeks of ASP.</p> |

## Tuesday Classes (6 sessions)

|   |  |
|---|--|
| <p><b>K-1 Discovery Club</b><br/> <b>Grades Kindergarten -1st</b><br/> <b>2:45-4:30 PM</b></p>  | <p>Students will enjoy an afternoon snack, group play/social time, and academic support (literacy/math based). This will be offered Monday-Thursday. Sign up for as many days as you like!</p> <p><b>Make it, take it Crafts</b> - Lose the wintertime blues, join Discovery Club for spring crafts, games, and fun!</p>   |
| <p><b>Achievement Club</b><br/> <b>Grades 2 - 6</b><br/> <b>2:45-3:30</b></p>   | <p>Students will enjoy a snack and work with teachers who will provide homework help, reteaching, and enrichment activities in all subject areas. Achievement Club is offered Monday-Thursday. Sign up for as many days as you like. When registering for a program below, your child will also be registered for Achievement Club automatically.</p>  |
| <p><b>Reactions and Experiments</b><br/> <b>Grades 2-6</b><br/> <b>3:30-4:30</b></p>                      | <p>Are you ready to get your hands messy and see science in action? Step into our after-school laboratory where <b>you</b> are the head scientist! In this class you will get to use microscopes, experience physics/motion, and explore nature (if weather allows).</p>   |
| <p><b>Sparkle &amp; Style: Young Jewelry Designers</b><br/> <b>Grades 2-6</b><br/> <b>3:30-4:30</b></p>  | <p>Turn your imagination into wearable art!<br/> In Sparkle &amp; Style, students explore the shimmering world of jewelry design through hands-on projects that build both creativity and confidence. From vibrant beads to intricate knotting, young designers will master a variety of techniques while creating unique accessories to wear or share.</p>  |
| <p><b>Junior Gardeners: Dig, Grow &amp; Discover</b><br/> <b>Grades 2-6</b><br/> <b>3:30-4:30</b></p>    | <p>Get your hands dirty and watch your hard work bloom!<br/> In Junior Gardeners, students step out of the classroom and into the "living laboratory" of nature. This program guides young explorers through the full life cycle of a garden—from tiny seeds to a bountiful harvest—while fostering a deep connection to the environment. Students will learn the "magic" of starting their own plants and learn about local trees. At the end of the program, students will lead a session for the school providing tree saplings to every student.</p> |
| <p><b>Points of Light</b><br/> <b>Grades 4-6</b></p>  | <p>This after-school service learning program provides opportunities for volunteer work in the community. Students also work on making blankets throughout the</p>   |

|   |  |
|---|--|
| <p><b>3:30-4:30</b></p>    | <p>year and attend a field trip to Aultman Hospital to deliver the blankets and take a guided tour. Students learn about service to others and ways to make the world a better place!</p>  |
| <p><b>Minecraft</b><br/><b>Grades 4-6</b><br/><b>3:30-4:30</b></p>   | <p>In the Minecraft Education Edition program, students will have the ability to design, create, and collaborate, as well as apply basic computer science concepts. Using the features in the ComputerCraft Mod, students will be given specific objectives to complete but will also have the opportunity to create their own designs in the classroom version of the popular game Minecraft.</p>   |
| <p><b>Good News Club</b><br/><b>Grades K-6</b><br/><b>2:45-4:30</b></p> <p>A non-sponsored 21st Century Grant After School Program that will take place at the same time as ASP.</p>  | <p><i>Non-Sponsored 21st Century After School Program</i></p> <p>Good News Club® (GNC TM ) is an exciting, fun-filled weekly club for kids in which the Bible is clearly taught with songs, stories, games. Children will learn: God loves them, Every person has value, How God can help them do the right thing, find victory in hard times, show love to others, etc. GNC teachers are specially trained Christians who are concerned for the well-being of your child. All club workers are screened as required by Child Evangelism Fellowship</p> <p><i>If this class is chosen, there will be a separate required registration that will be sent to your email.</i></p> |

## Wednesday Classes (5 sessions)

|  |  |
|--|--|
| <p><b>K-1 Discovery Club</b><br/><b>Grades Kindergarten -1st</b><br/><b>2:45-4:30 PM</b></p> | <p>Students will enjoy an afternoon snack, group play/social time, and academic support (literacy/math based). This will be offered Monday-Thursday. Sign up for as many days as you like!</p> <p><b>Directed Drawing:</b> students will be given the opportunity to complete drawings and activities through modeling and verbal directions. The activity promotes listening skills, following directions and creativity.</p> <p><b>Or</b></p> <p><b>BKiDS-</b> BKiDS offers an energetic and creative after-school experience that helps kids discover God's love through hands-on activities and meaningful Bible lessons. It's a place where kids can come together through friendship and laughter to learn and grow their faith.</p> |
|--|--|

|  |  |
|--|--|
|  | <p><b>Squish and Shape:</b> Kinetic sand sensory tables for K/1 students offer tactile, calming, and educational play through activities like treasure hunts, letter building, and construction. Incorporate tools such as cookie cutters, small buckets, scoops, and plastic animals to encourage fine motor skills, letter recognition, and creative STEM exploration.</p>   |
| <p><b>Achievement Club</b><br/> <b>Grades 2 - 6</b><br/> <b>2:45-3:30</b></p>  | <p>Students will enjoy a snack and work with teachers who will provide homework help, reteaching, and enrichment activities in all subject areas. Achievement Club is offered Monday-Thursday. Sign up for as many days as you like. When registering for a program below, your child will also be registered for Achievement Club automatically.</p>  |
| <p><b>The Fantasy Forge: Magical Art Adventure</b><br/> <b>Grades 2-3</b><br/> <b>3:30-4:30</b></p>  | <p>Pack your bags for a journey to a world of magic! At the Fantasy Forge, you are the creator of your own kingdom. Do you love sparkling fairies? Fierce dragons? Trolls, unicorns, or mermaids?</p> <p>Join us for a hands-on adventure where we turn ordinary art supplies into extraordinary treasures. We'll mix potions of color, sculpt creatures from the wild, and build homes for our magical friends. If you can dream it, you can build it in the Forge!</p> |
| <p><b>Let Grow Play Club</b><br/> <b>Grades 2-6</b><br/> <b>3:30-4:30</b></p>                       | <p>Join in the free play, making friends and figuring things out!</p> <p>The Let Grow Play Club — a new activity we are offering where kids make their own fun, without adults organizing it — looks like “just plain fun.” But that “fun” is how Mother Nature disguises the hard work. Because it is “fun” to play ball, kids learn the difficult skills of focus, compromise and empathy. Play jacks, you learn patience. Play superheroes, you learn to imagine.</p> |
| <p><b>Tape Art Studio</b><br/> <b>Grades 2-6</b><br/> <b>3:30-4:30</b></p>                          | <p>Students will explore the exciting world of <b>tape art</b>! Using tape, students will <b>design murals and creative art projects</b> by planning patterns, shapes, and pictures. They'll experiment with line, space, and design while turning simple materials into bold works of art. No experience needed—just imagination and creativity!</p>  |

**BattleBots: Enter the Arena**  
**Grades 4-6**  
**3:30-4:30**

Are you ready to build the ultimate machine? In BattleBots, you aren't just playing with robots—you're designing, building, and programming a mechanical warrior. Join forces with a team to create a bot that can outsmart, outpace, and outlast the competition.

- **Engineer for War:** Design armor and weapons to protect your bot and defeat your rivals.
- **Master the Controls:** Learn how to program your robot for maximum speed and precision.
- **The Final Showdown:** Put your skills to the test in the Arena to see whose design reigns supreme.

Bring your best ideas and your competitive spirit. It's time to see who will be crowned the **BattleBots Champion!**

**Seussical Jr**  
**Grades 2-6**  
**3:30-4:30**

Presented by New Direction Performing Arts Academy, this class will prepare students for the musical production, Seussical Jr. The class will be held in the TVMHS Performing Art Center and will be working on acting, singing, choreography and more to prepare students for the stage performance in April. Students will be responsible for participating on Monday, Wednesday, Thursday. Only those students that have been cast for a part will register for session 4. After the production has been completed, students will have an option to move to a Let Grow activity with peers for the final two weeks of ASP.

**BKids**  
**Grades 2-6**  
**3:30-4:30**

This is a non-sponsored 21st Century Grant After School Program that will take place at the same time as ASP.

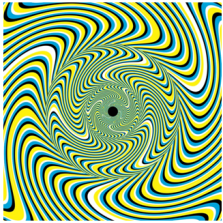

BKiDS offers an energetic and creative after-school experience that helps kids discover God's love through hands-on activities and meaningful Bible lessons. It's a place where kids can come together through friendship and laughter to learn and grow their faith.

## Thursday Classes (5 sessions)

|   |  |
|---|--|
| <p><b>K-1 Discovery Club</b><br/> <b>Grades Kindergarten -1st</b><br/> <b>2:45-4:30 PM</b></p>  | <p>Students will enjoy an afternoon snack, group play/social time, and academic support (literacy/math based). This will be offered Monday-Thursday. Sign up for as many days as you like!</p> <p><b>Game Time:</b> Students will learn and play a variety of games from sports and physical activities, to board games, cards games, and more.</p>  |
| <p><b>Achievement Club</b><br/> <b>Grades 2 - 6</b><br/> <b>2:45-3:30</b></p>   | <p>Students will enjoy a snack and work with teachers who will provide homework help, reteaching, and enrichment activities in all subject areas. Achievement Club is offered Monday-Thursday. Sign up for as many days as you like. When registering for a program below, your child will also be registered for Achievement Club automatically.</p>  |
| <p><b>Building Masters (Legos and Magnatiles)</b><br/> <b>Grades 2-3</b><br/> <b>3:30-4:30</b></p>                                  | <p>Are you ready to become a Master Builder? Join us for an action-packed after-school session where your imagination is the only limit! Every week, you'll dive into a massive collection of building tools, including LEGOs, MagnaTiles and blocks.. Challenge your friends to a tower-off, design simple machines, or create glowing structures with MagnaTiles. There is something here for every creator. Come build the impossible!</p>                          |
| <p><b>Sonic Explorers: A Musical Journey of Instrument Exploration</b><br/> <b>Grades 2-6</b><br/> <b>3:30-4:30</b></p>            | <p><b>Unleash your inner musician in this high-energy, hands-on after-school adventure!</b> In <b>Sonic Explorers</b>, students don't just listen to music—they create it. This program introduces children to the fundamentals of rhythm, melody, and expression through engaging musical activities such: Drumming circles, boomwhacker beats, xylophone melodies and sound stories.</p> <p>No prior musical experience is necessary—just a curiosity for sound!</p> |
| <p><b>Trojans on the Run (Girls Only)</b><br/> <b>Grades 2-6</b><br/> <b>2:45-4:30 - No Achievement Club for this section</b></p>  | <p>Calling all girls! Through teamwork, discussion and running/physical exercise, girls will learn how to become the best version of themselves. Topics will include goal setting, patience, kindness, conflict resolution and speaking up for yourself!</p>   |

|  |   |
|--|---|
| <p><b>Optical Illusions Creations</b><br/> <b>Grades 4-6</b><br/> <b>3:30-4:30</b></p>  | <p>Can you believe your eyes? Step into a world where art and science collide!</p> <p>In Optical Illusion Creations, students become "visual detectives" to uncover how their brains and eyes work together to interpret the world. This hands-on program combines STEM concepts with creative arts to explore "Op Art," impossible shapes, and mind-bending visual effects.</p>  |
| <p><b>Seussical Jr</b><br/> <b>Grades 2-6</b><br/> <b>3:30-4:30</b></p>                 | <p>Presented by New Direction Performing Arts Academy, this class will prepare students for the musical production, Seussical Jr. The class will be held in the TVMHS Performing Art Center and will be working on acting, singing, choreography and more to prepare students for the stage performance in April. Students will be responsible for participating on Monday, Wednesday, Thursday. Only those students that have been cast for a part will register for session 4. After the production has been completed, students will have an option to move to a Core Essentials activity with peers for the final two weeks of ASP.</p> |
| <p><b>Core Essentials</b><br/> <b>Grades 2-6</b><br/> <b>3:30-4:30</b></p>            | <p>Are you ready to have some fun? In Core Essentials, students will learn about the three big ideas: TREATING OTHERS RIGHT, MAKING SMART DECISIONS, and MAXIMIZING YOUR POTENTIAL through song, videos, experiments and more! Pastor Aaron Rae leads a loud, fun filled session to keep students learning and exploring good choices.</p>  |

|  |  |
|--|--|
| <p><b>Warren Township Community Center After School Club</b><br/> <b>Grades K-6</b><br/> <b>3:00-6:00pm</b></p>  | <p>WTCC creates a safe and positive environment for youth to thrive through purposeful activities that nourish the body, mind and spirit.
