

Kristin Hoffmann

We are excited to welcome Kristin Hoffmann to the Q-Comp team for the 2026-2027 school year! With 25 years of experience as an educator, Kristin brings a wealth of knowledge and a deep commitment to supporting her fellow teachers. She has worked across various Robbinsdale Area schools, including Northport Elementary, Sandburg Middle School and FAIR Crystal Middle School.

Kristin holds a Master's degree in Elementary Education with a 7-8 Science emphasis from the University of Minnesota, Twin Cities. She has worked in the elementary setting, K-5, as a classroom teacher, intervention specialist, title one teacher and STEM coordinator. For the last 10 years Kristin has worked in the middle school setting as a science teacher.

Outside of the classroom; she enjoys the outdoors, hiking, camping, running, paddle-boarding, exploring and spending time with her family. She loves to travel and discover new places. One of her highlights was visiting Hawaii's National Volcanoes park during the 18th episode. She is a life learner, and is always looking for an opportunity to learn new things.
