

Hi Perry Families,

Please expect delayed dismissal times for the first several days of the school year. We will greatly improve each day -- students, staff, and parents will be in routine shortly. Thanks for your patience. Thank you all for being wonderful parents. Our staff is committed to expedite our dismissal procedures.

WALKERS refer to students listed as **WALKERS** and are walking home from campus right at 3:30pm. Parents who want to meet their students on campus to walk with them must stand and wait in either the PreK-1st Grade waiting area or the 2nd-4th Grade waiting area. Parents must be there waiting by 3:30pm to walk with their child. Parents are not permitted to stand and wait on campus in any other areas. Also, parents are not permitted to pull their child out of the dismissal lines while 2nd - 4th grade students are walking with teachers in line to the dismissal destination area . This is for safety. The map below indicates the only 2 parent waiting areas.
