Students received the initial paperwork for our annual 8th-grade trip to Washington, D.C. today. Ask your student to see the papers. The deposit is due on or before September 26. The first fundraiser will begin shortly after deposits have been submitted. Please take a moment to join the Remind group. Simply text @ rmsdc2026 to the number 81010. This is the best way to contact the trip sponsors and receive information regarding the trip. We hope you will consider traveling with us!
