 - Growth Report
- Enrich - our SPED coordinator uses the Enrich platform to house the building IEPs.
- Google Suite - platform used by all to house Google Classrooms:
 - Stream - announcements/communication
 - Classroom - assignments/tools/texts/projects
- NWEA - first year implementing in our 7th through 11th grades in LA, Grammar, Math, Science. We have only used the School Profile and individual student reports. After our second round of testing we have PD planned with NWEA to look at data using different reports.

PRIMARY SCHOOL & INTERMEDIATE SCHOOL

- **NWEA** - NWEA - first year implementing in our K-2 students are tested for Reading & Math. We have only used the School Profile and individual student reports. After our second round of testing we have PD planned with NWEA to look at data using different reports.
- **Dibels - Participant in ELAT (Early Literacy Assessment Tool) program.**
- **Enrich** - House READ plans and our SPED coordinator uses the Enrich platform to house the building IEPs.
- Google Suite (Intermediate only)
